To,

.....

Sub: 'Science Express Climate Action Special' Exhibition Train

Dear Sir/Madam,

Science Express Climate Action Special (SECAS) is a collaborative initiative of Dept. of Science & Technology, Ministry of Environment, Forest & Climate Change, Dept. of Biotechnology, Ministry of Railways, Govt. of India; Wildlife Institute of India and Vikram A Sarabhai Community Science Centre. It is a unique exhibition mounted on a customized 16 coach AC train, focusing on Climate Change and Science & Technology.

With over 1.70crore visitors at its 512 halts since its launch in Oct 2007, Science Express is now the largest, longest running and most visited mobile science exhibition. In its ninth phase as SECAS, scheduled from 17 Feb to 08 Sept 2017, the train will halt at 68 stations across India. The SECAS schedule over the next few days is as follows:

Amla Railway Station	:	03 - 06 Aug 2017
Habibganj Railway Station	:	07 - 09 Aug 2017
Bina Railway Station	:	10 - 12 Aug 2017
Khajuraho Railway Station	:	13 - 14 Aug 2017
Marwar Railway Station	:	17 - 18 Aug 2017

Exhibition Timings: 10:00 am – 5:00 pm

We invite all, especially students and teachers, to visit the SECAS. There is no entry fee for the exhibition. More details are available on www.scienceexpress.in.

For visit, you may send an email to scienceexpress@gmail.com or contact our team members aboard the train on mobile nos. 09428405407, 09428405408. A brief note with schedule and a poster (for display on notice board) are enclosed herewith.

We seek cooperation of all in giving wider publicity to this prestigious exhibition-on-wheels so that a large number of people are benefited.

Yours sincerely,

Dilip Surkar
Executive Director
